Growing Green Child Development Center

Parent Newsletter September 22, 2017

friendly REMINDERS

Safety Policy

As you know, key fobs are required to enter our front and side doors to the center. If there is a person behind you when you are entering the building that you do not recognize, please do not allow them in. Politely let them know that you are trying to follow our "no piggyback" policy. We find that people are very understanding and appreciative when people follow this procedure. We have not had any safety issues, but this is a good reminder for all our families. Please let me know if you have any questions!

CACFP Forms Still Needed

We are still in need of a large amount of CACFP forms from families. If you have not filled out a new food program data sheet, please do so today. We have copies at the front desk. This only takes a moment. If you receive childcare assistance, please have your case number handy. If you do not receive assistance, you are still required to complete this form.

Picture Day

October 12th is picture day! **All** students will be getting their picture taken. Within a couple of weeks after picture day, parents will be able to view their child's photos and choose to purchase a package. Mark your calendars for Thursday, October 12th to have your little ones ready for the camera!

Family Photos

All our classrooms are updating their family boards and displays. Please make sure you bring in a family picture as soon as possible. This helps children transition in the classroom and gives them a sense of family pride. Feel free to email it to us instead and we can print it out, if that is easier. emendoza@growinggreenchild.com

Extra Clothes & Nap Items

Please make sure your child has extra clothes (including underwear) in their cubby **every day**, along with a sheet and blanket for naptime.

Support Your Team

In honor of the Packers/Bears game next week, we are having a Support Your Team day! Wear your favorite jersey or team shirt on Thursday the 28th!

Upcoming Dates to Remember:

Thursday, September 28th Support Your Team Day

Thursday, October 12th Picture Day (7 am to approximately 12pm)

Friday, October 13th Jerry Smith Growing Green Family Night (Wristbands sold 4 pm to 6 pm)
