End of Summer Party Date Change

Just another reminder of our recent date change for the end of the summer party! Due to the KUSD open house night, we have changed our end-of-the-summer picnic and it will now occur on Wednesday, September 6th. We would love for families to come on over at the end of the day to meet at Area 4 of Petrifying Springs. This is a wonderful chance to just hang out outside together and get to know other families! Feel free to bring your own picnic dinner!

Staffing Update

We have a few updates we want families to be aware of. Miss Haley will become our lead Growing Green teacher after Mrs. Hill is done for the day in the 4K classroom. Haley recently graduated with a Youth Ministries degree and is very excited about gaining even more experience in the field of education. Unfortunately, Miss Karen is unable to come back due to health reasons but, luckily, this will be a great fit for the classroom. Haley’s energy and enthusiasm will make her the perfect preschool teacher! Miss Megan had a spectacular summer in Room 6 and will move back into Room 5 to assist in the afternoons. This will allow her to have a bit more family time during the school year. Finally, Mr. Thomas will be finding his new home in Room 4, assisting Bryanna full time. This will ensure consistency in the classroom. Thomas is very excited to be back with his favorite age group!

Statements

Don’t forget that Kris sends out monthly statements at the very beginning of the month. This is a great chance to see what your monthly total bill is before any automatic withdrawals occur. Since months fluctuate dependent upon the number of days, this is very helpful in budget planning. If you are not receiving a monthly statement, please let Kris or Erin know right away.

Entertainment Center

We recently have been doing some end-of-the-summer cleaning. We have a large entertainment center that we will not be using because it takes up too much space. If anyone is interested it is on the east side of the building. It is in great condition. Please feel free to take it!

Bus Schedules

Many of our buses are filled up for after school. If you have not let Kris know your school schedule, please do so right away before space runs out for your child’s after-school needs.

Circus Week

This is our favorite week of the summer! Circus week is chock-full of games, crafts, and other super fun activities for all of our age groups. The culminating event is the Growing Green circus! Our school agers plan it from start to finish. They practice their routines, decorate, and host a party for the older preschool classrooms...complete with games and prizes! They did a fabulous job. A special shout-out for their teachers, especially Andrew who used his MC skills and media hookup to make sure our sound system was picture perfect!
